DISCOVERY REQUEST FORM

All requests for discovery are governed by Colo. Rule Criminal Procedure 16. All requests for discovery must be made in writing by the defendant or his/her attorney of record. You may use this form to submit your request, which can be hand-delivered, or sent US mail to the District Attorney's Office in the county where your case is pending, or scanned and emailed. If submitting via email, use the following email addresses for the applicable county where your case is pending: grand14@14da.org, routt14@14da.org, moffat14@14da.org.

We provide one (1) free copy of discovery to the defense – if you do not have an attorney and you obtain discovery yourself, if you do get an attorney you will need to provide the discovery we gave you to your attorney, or you will need to pay for an additional copy.

Requests for discovery are processed in the order they are received. We attempt to complete the request within one (1) week. Documents will be mailed to the address you provide below. Digital evidence (video, audio, photos) will be provided via email at the email address you provide below.
